Each song in the series is carefully arranged by renowned piano educator Nancy Faber. Her expertise and experience shine through in the intuitive layouts and fingerings, making it easier for learners to understand and play the music effortlessly.

With Bigtime Piano Popular Level, you can choose from a wide variety of songs spanning different decades and genres. From classic rock to contemporary pop, this series has something for everyone. Get ready to impress your friends and family with iconic tunes by artists such as Elton John, The Beatles, Adele, and Taylor Swift, among others.

A Comprehensive Learning Experience

When it comes to mastering the classics of pop music, Bigtime Piano Popular Level offers a comprehensive learning experience. Each book includes a range of learning resources designed to enhance your piano-playing skills:

- **Performance:** This section includes the complete song with piano accompaniment, allowing you to practice playing along with the music.
- **Technical Exercises:** These exercises focus on specific techniques required for each song, helping you build strength and agility in your playing.
- **Theory and Terminology:** Expand your musical knowledge and understanding with explanations of musical symbols, terms, and concepts relevant to each song.
- **Ear Training:** Improve your musical ear by engaging with exercises that help you recognize melodies, chords, and progressions.
- **Improvisation:** Go beyond the written notes and discover your creative side through guided improvisation exercises.

Perfect for Any Skill Level

Whether you are a beginner or an advanced pianist, Bigtime Piano Popular Level has something to offer. Each book is organized into four levels: Level 1, Level 2, Level 3, and Level 4. This allows you to progress at your own pace and choose the books that are best suited to your skill level.

For beginners, Level 1 provides a solid foundation with simplified arrangements that retain the essence of the songs. As you progress, the subsequent levels gradually introduce more complex techniques and musical elements, challenging you to improve your skills.

Advanced players can also benefit from Bigtime Piano Popular Level. These books serve as a fun way to revisit popular songs and explore new arrangements that add a fresh twist to the originals.
