All I'm interested in is getting into Yale so I can leave this town and everyone in it behind. Until four of the most popular boys in school suddenly show an interest in me...

Why? I'm not sure. But when they make me a bet I can't refuse, I shed the good girl skin I'm in just to prove to them I'm not as innocent as they think I am.

Only, things start to go wrong. Really wrong.

As I stare down at the grave in front of me, I know my life will never be the same again—not while I'm caught up in this web of lies, deceit...and murder.
