However, an evil force emerged, seeking to bring chaos upon Eldoria. A mysterious cult known as The Shadowscale Society believed that the gods were suppressing their true potential, limiting their prosperity. Driven by fanatic ideologies and immense magical prowess, the Shadowscale Society orchestrated an uprising, igniting The War of the Four Gods.

The balance of Eldoria was shattered as battles raged across the land. Blood-soaked battlegrounds became the stage for epic clashes between loyal supporters of each god. As the war intensified, it became apparent that only one god would emerge victorious, their rule solidifying over the remnants of a devastated kingdom.
