Participants enrolled in Seekers Study South Africa will have the opportunity to engage with experts and professionals in various fields, gaining insights and firsthand experiences that go beyond what can be found in textbooks. Through a mix of lectures, workshops, and hands-on activities, individuals will unlock the secret treasures hidden within South Africa's borders.

Exploring South Africa's Cultural Mosaic

South Africa boasts a remarkable mix of cultures, languages, and traditions, making it an ideal destination for cultural exploration. Seekers Study South Africa provides participants with the opportunity to engage with diverse communities, understand their histories, and embrace their customs.

Visit the vibrant neighborhoods of Johannesburg, testifying to the legacy of the country's struggle for democracy, and be captivated by the towering skyscrapers and bustling streets. Explore the townships and meet locals who will share their

personal stories, offering a deeper appreciation of resilience and the importance of community.

Embark on a journey to Cape Town and witness the cultural richness of the Cape Malay community, known for their captivating music, mouthwatering cuisine, and colorful architecture. Immerse yourself in their traditions and learn about the historical significance of District Six.

Discover the Zulu Kingdom and its proud people, understanding the richness of their heritage and their strong connection to the land. Walk in the footsteps of Nelson Mandela, gaining insights into the struggle against apartheid.

The Magnificence of South Africa's Natural Wonders

Beyond its vibrant cities and cultural diversity, South Africa is a treasure trove of natural wonders. Seekers Study South Africa gives participants the opportunity to explore the country's diverse landscapes, from the iconic Table Mountain to the breathtaking Kruger National Park.

Take to the open road and encounter the famous Garden Route, a haven for nature enthusiasts, where lush forests, glistening lakes, and pristine beaches await. Marvel at the dramatic scenery along the Panorama Route, making stops at Blyde River Canyon, God's Window, and the awe-inspiring Bourke's Luck Potholes.

Get up close and personal with wildlife during a thrilling safari at Kruger National Park, home to an array of fascinating creatures including the Big Five. Be guided by experienced rangers who will share their knowledge and passion, making your journey into the heart of the African bush an unforgettable experience.

Preserving the Future: Conservation Efforts in South Africa

Seekers Study South Africa recognizes the importance of environmental conservation and sustainable practices. Participants will have the opportunity to engage with local conservationists and take part in meaningful projects aimed at preserving South Africa's unique ecosystems.

Visit a multitude of conservation areas, such as the iconic Addo Elephant National Park, and learn about the efforts being made to protect endangered species. Take part in hands-on activities, contributing to reforestation projects or helping rehabilitate injured wildlife.

Gain a deeper understanding of the delicate balance between human development and environmental conservation, recognizing the challenges faced by South Africa and the world at large.

Seekers Study South Africa offers an enticing opportunity to explore the vibrant cultures, diverse wildlife, and astonishing natural landscapes of this remarkable country. Through immersive experiences and engaging activities, participants will gain a comprehensive understanding of South Africa's history, culture, and environmental challenges.

Embark on an adventure of a lifetime as you uncover the hidden gems and secrets of South Africa's Rainbow Nation. Seekers Study South Africa awaits - are you ready to embark on this transformative journey?

A Seekers Study - South Africa: A Unit Study to Accompany the Novel Seekers of the Lost Boy

by Taryn Hayes([Print Replica] Kindle Edition)

★★★★☆ 4.8 out of 5

Language : English

File size : 14083 KB

Charlotte Mason once said: “Children should have the joy of living in far lands, in other persons, at other times – a delightful double existence; and this joy they will find, for the most part, in their storybooks.”

Sometimes the best way to experience the best of both worlds is to enjoy a book all over again through an interesting and inspiring unit study. This study aims to do just that: use it in its entirety over 3-6 months or dip in and take what you like!

*All consumable pages of this book allow for 1xfamily or 1xclassroom copying - only one copy needed per family or class.
