The adventure starts as Judy Moody, the brave and witty protagonist, receives a mysterious letter with just one word - Stinkodon. Intrigued by the message, Judy enlists the help of her trusty sidekick, Stink, and together they assemble a team of extraordinary friends: Rocky, Frank Pearl, and Amy Namey. With their diverse set of talents and a common desire to solve the Stinkodon mystery, they set off on an epic adventure.

Their journey takes them to remote corners of the world, from dense jungles to freezing tundras, as they follow the clues left behind by previous explorers. They encounter treacherous terrains, encounter dangerous creatures, and face unexpected obstacles that test their courage and wit. But through it all, Judy Moody and her friends remain determined, fuelled by their unwavering belief in the existence of the Stinkodon.

As their search progresses, the gang uncovers ancient maps, decipher cryptic symbols, and consults with eccentric experts in their quest for answers. Each piece of the puzzle brings them closer to their ultimate goal - to witness the grandeur of the Stinkodon and discover the secret behind its notorious stench.

Along the way, Judy Moody and her friends learn valuable lessons about teamwork, resilience, and the power of curiosity. They forge unbreakable bonds, develop their unique skills, and grow as individuals. It is not just the journey that matters but also the transformation that takes place within each character.

Will Judy Moody and her friends be successful in their quest? Will they be the ones to unravel the mystery of the Stinkodon? You'll have to accompany them on this exhilarating adventure to find out!

Join Judy Moody, Stink, Rocky, Frank Pearl, and Amy Namey as they traverse uncharted territories, encounter mythical creatures, and unravel ancient enigmas. Surprises are in store as Stink excavates his backyard in search of a relic from an extinct beast — and Judy lends him a little sleight of hand.

Mega-chomp! Stink wants to make the find of the century. He's on a dig, dig, digging quest in his backyard to find a tooth from a saber-toothed cat, otherwise known as a Smilodon. Why not? Two kids in Michigan found a mastodon bone in a backyard stream, and a girl in Great Britain found a pterosaur bone. It could happen! But Judy thinks the chances of finding a saber-toothed anything in the Moody backyard are one in a gazillion million. Will Stink make a discovery before their whole backyard caves in? Just right for newly independent readers, this latest story from Megan McDonald is sure to leave Moody fans with smiles as wide as a Smilodon's.
