

Mobsters Gangs Crooks And Other Creeps Volume New York City

The dark underbelly of New York City has always been a source of fascination. From mobsters to gangs, crooks to other nefarious characters, the city has seen its fair share of criminal activities throughout history. In this volume, we delve into

the intriguing world of these notorious individuals who operated in the shadows of the Big Apple.

New York City has served as the backdrop for countless mobster stories. The likes of Al Capone, Lucky Luciano, and John Gotti have become synonymous with the city's underworld. Their criminal empires and ruthless tactics have captivated the public's imagination for decades. Discover the intricate web of power, violence, and betrayal that defined the mob era in New York City.

As the city grew, so did the influence of gangs. From the Five Points Gang to the Italian-American Mafia families, street gangs have played a significant role in the city's history. Explore the origins of these gangs and how they became intertwined with the fabric of New York City. Find out about their territories, rivalries, and the violent clashes that marked their reign.

However, mobsters and gangs are not the only creeps that lurked in New York City's shadows. The city has also seen its fair share of con artists, serial killers,

and corrupt politicians. Uncover the stories of these dark characters and the havoc they wreaked upon the city's residents. From the infamous fraudster Bernie Madoff to the haunting tale of "Son of Sam," there is no shortage of chilling accounts in the city's history.

Join us on a journey through the crooked streets of New York City. From the narrow alleys of Little Italy to the glittering lights of Times Square, we delve into the heart of the city's criminal underworld. Through vivid storytelling and historical accounts, gain a deeper understanding of the captivating figures that shaped the city's past.

So, if you have a curiosity for the dark side of New York City, this volume is a must-read. Prepare to be immersed in a world filled with mobsters, gangs, crooks, and other creeps. Uncover the secrets that have long been hidden in the shadows and discover the captivating stories that make up the history of crime in the Big Apple.

Joe Bruno's "Mobsters, Gangs, Crooks, and Other Creeps" finished in second place (runner up) in the 2013 eFestival of Words Best of the Independent Ebook Awards in the category "Nonfiction."

Like The Don said, "Buy this book, or I'll make you an offer you can't refuse."

"Mobsters, Gangs, Crooks, and Other Creeps - Volume 2- New York City" is not a continuation of "Mobsters, Gangs, Crooks, and Other Creeps - Volume 1- New York City," but rather a complement to Volume I. Volume 2 starts in the time period of the early 1820's, and ends in the mid 1900's.

This is not a book about nice people. This is a book about the lowest forms of life ever to walk the face of the earth: Mafioso, murderers, con artists, prostitutes, base street thugs, crooked politicians; people who do deliciously decadent things to other people, as easy as stepping on a roach. The exception is New York City Detective Joseph Petrosino, who took on the vicious Black Hand, but lost his life in Sicily because he wasn't exactly the sharpest knife in the drawer.

“Mobsters, Gangs, Crooks, and Other Creeps - Volume 2- New York City” is not for everyone. But if you enjoy reading about mob people who are so unaffected about what they do, they can eat a hot roast beef sandwich minutes after slitting some poor guy's throat, this book is definitely for you.

Take a deep breath, fire up your Kindle, and enjoy!
