Come join me for this 50-image photo journal as I cycle and hike across New Zealand. In this 14th volume I'll be hiking 71km of the Queen Charlotte Track with three Danish friends. I'll start my adventure by taking a ferry from Wellington to Picton on the South Island, and then a water taxi out to Ship Cove. We will journey for four days through the rain, drizzle, fog, and sunshine; hiking past

waterfalls, stunning views, strange flowers, reddish-orange mushrooms, and a few thieving Weka birds. I hope you enjoy these images and travel thoughts as much as I did photographing them and living the adventure.
