## **Exploring Florida's Coastal Wonders**

Florida is renowned for its exquisite beaches, and Lyn's slow travel philosophy allows her to fully immerse in the coastal wonders. From the popular white sandy shores of Miami Beach to the secluded paradise of Sanibel Island, she uncovers the unique characteristics that make each beach special. With her trusted camera, Lyn captures the vibrant sunsets, rich marine life, and the tranquility that only slow travelers get to experience.

## **Unveiling Florida's Natural Treasures**

Beyond the beaches, Florida boasts incredible natural treasures waiting to be explored. Lyn ventures into famous national parks like Everglades and Biscayne, highlighting their diverse ecosystems and showcasing the plethora of flora and fauna that call these parks home. From the mysterious moss-draped cypress trees to the graceful manatees floating in the crystal-clear springs, Lyn's journeys will inspire you to connect with nature in its purest form.

## **Discovering Florida's Historic Gems**

Florida's history is as rich as its natural beauty, and Lyn's slow travels take her to historical sites that reveal the state's fascinating past. From the Spanish colonial architecture of St. Augustine, the oldest continuously inhabited European-established settlement in the United States, to the iconic Art Deco district in

Miami, Lyn uncovers the stories and heritage behind these charming landmarks. Through her vivid descriptions, you'll feel transported back in time while exploring Florida's cultural heritage.

## **Embracing the Slow Travel Lifestyle**

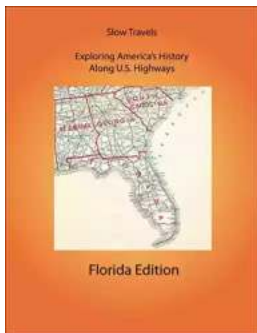

Slow travel is more than just a way to explore a destination; it's a mindset and a way of life. Lyn Wilkerson's adventures in Florida embody the spirit of slow travel - savoring each moment, embracing the local culture, and immersing oneself in the surroundings. Her unique approach allows her to forge deep connections with the places she visits and capture the essence of Florida's hidden treasures.

Slow Travels--Florida is the second in our new Slow Travels series. U.S. Highways 1, 27, 90, and 301 are followed through the State, examining a cross-section for Florida and providing a wealth of historical information along the way. In this second edition, we have added U.S. Highway 41's route along the Tamiami Trail, from Sarasota to Miami. Updated maps provide reference points along the way, and GPS Coordinates are included at the end of each route. The Slow Travels series encourages the driving tourist to take the slower paced route, and see the rich history which lies along that highway. Not only are the more popular sites examined, but you are also shown the many places in between those sites which are most often overlooked. 90% of our history is either distinguished by

only a marker or no marker at all. That is the history most travelers are missing, and that is what the purpose of Caddo Publications USA is, to bring that missing history to everyone's attention.
