

The Extraordinary Journey of a Hen Who Sailed Around the World

Once upon a time, in a small village near the coast, there lived a fearless and adventurous hen named Henrietta. Unlike the other hens in the village who spent their days pecking for grains in the backyard, Henrietta had a longing for something more. She dreamed of exploring the world beyond the confines of the farm, feeling the wind in her feathers, and experiencing the vastness of the oceans.

One sunny morning, as Henrietta was admiring the sea with its beautiful shades of blue, she noticed a group of sailors preparing their boat for an epic voyage

around the globe. Captivated by their excitement, she decided that it was time for her to spread her wings and embark on her own great adventure.
