The Power of Positive Thinking

One of the key components of the fast track secret is the power of positive thinking. It has been proven time and again that our thoughts shape our reality. By cultivating a positive mindset, we can attract the opportunities, relationships, and success that will lead us to our fairy tale ending.

Create Your Vision

To fast track your journey, you need to have a clear vision of what your fairy tale ending looks like. Take the time to reflect on your desires and dreams. Visualize the details: the love, the achievements, the abundance. By creating this vision, you will have a roadmap to guide you on your journey and keep you focused on your end goal.

Develop an Action Plan

Dreams without action are merely fantasies. Once you have your vision, it's time to develop an action plan. Break down your goals into smaller, actionable steps and set deadlines for each milestone. This will help you stay accountable and make progress towards your fairy tale ending.

Embrace Continuous Learning

The fast track secret is not a one-time solution, but a lifelong commitment to personal growth. Embrace a mindset of continuous learning and self-improvement. Seek out mentors, read books, attend seminars, and acquire the skills and knowledge necessary to navigate your journey towards your fairy tale ending.

Overcoming Obstacles

Along the fast track to your fairy tale ending, you will encounter obstacles and setbacks. It's essential to develop resilience and the ability to overcome these challenges. See each obstacle as an opportunity for growth and find ways to

adapt and persevere. Remember, even in the most captivating fairy tales, the hero faces trials before reaching the happy ending.

Surround Yourself with Support

Surrounding yourself with a supportive network is crucial on your fast track journey. Seek out like-minded individuals who share similar goals and aspirations. Join communities, attend networking events, and connect with individuals who can offer guidance, motivation, and inspiration. Together, you can uplift and empower each other on your quests for your own fairy tale endings.

Persistence and Patience

The fast track secret does not guarantee instant results. It requires persistence and patience. Understand that the road to your fairy tale ending might have detours, delays, and unexpected twists. Stay committed to your vision, have faith in the process, and trust that you are moving closer to your dream with each step.

Celebrate Milestones

As you progress on your fast track journey, celebrate your milestones. Acknowledge and appreciate each small victory along the way. This will help boost your motivation and keep you inspired to continue pursuing your fairy tale ending.

The fast track secret to your fairy tale ending is within your reach. By embracing the power of positive thinking, creating a clear vision, developing an action plan, continuously learning, overcoming obstacles, building a support network, being persistent and patient, and celebrating your milestones, you can unlock the doors to your dream ending. "This breakthrough book changes dating forever. Now you can find The One with your eyes wide open." -Jack Canfield, New York Times bestselling co-author of Chicken Soup for the Soul and The Success Principles

Practical results-oriented guide to finding the right type of man for you - and weeding out the rest

"Kiss Fewer Frogs: The Fast Track Secret to Your Fairy Tale Ending"

What if you could skip all the bad dates and failed relationships on the way to meeting Mr. Right? What if you could recognize the men who are wrong for you within minutes of meeting them, rather than finding out months or years later?

So many women date - and sometimes marry - the wrong man, missing opportunities for happiness and wasting time in the process. Now best-selling author James Sheridan shares a revolutionary new approach to fast-tracking relationship bliss - and short-circuiting heartbreak. After decades of success as a relationship coach and countless conversations with women in audiences around the world, Sheridan now shares the secrets that have changed the lives of thousands of women.

"For both men and women," he writes, "romantic relationships are the foundations of a fulfilled life, so why should you go about getting one in such a haphazard fashion?" Based on years of research in psychology, science, and the principles of compatibility and chemistry, "Kiss Fewer Frogs" empowers a woman to identify which men are best suited to her and where to find him.

Unlike generic dating advice, the core of the book digs deep into seven types of men: "genotypes" of behavior, personality, and character identified by psychologists, scientists, and even spiritual leaders. Which asset does each genotype bring into a relationship? What do they dislike? What drives them? How likely will they call you back promptly? Where does each type hang out? One of those seven types is invariably likely to be your type and this ground-breaking guide can help you find him.

With wit, warmth, and sometimes bold comments, the author also gives women rare insights into the male psyche and takes on topics rarely encountered in similar guides:

- "Prince Perfect" and revelations designed to shred artificial worldviews
- The one thing single mothers should avoid
- Six characteristics of women who attract men
- Rewriting the dating script for better focus and more control
- The power of appreciating your age, body and looks
- Tips on writing better online profiles
- The "Calls of Nature" for both sexes

Woven into this step-by-step guide are stories of real men and women in their search for romance, humorous anecdotes, and reflections on dating relationships that the author overheard "last night at a bar (aka my alternate research lab)." Whether he is sharing how to recognize a "player" with surgical precision or assigning women to write down their deepest relationship fears, Sheridan motivates readers to give love a chance.

Imagine having proven strategies to let yourself learn from the past and move forward to the future with greater confidence and trust. If you - or women you know - are ready to take your best shot at identifying compatible men who are serious about finding a life partner, "Kissing Fewer Frogs" will make the search both systematic and fun. The perfect prince doesn't exist, but you may very well discover a prince who's close to perfect for you.
