The Music that Moves Souls

One of the hallmarks of the Gospel Gypsy Life is the incredible music they create. Gospel Gypsies are talented musicians, often playing soul-stirring songs accompanied by vibrant, foot-stomping rhythms, and heartfelt lyrics. Their music serves as a vessel to convey their spiritual message to congregations and gatherings around the country.

Picture a warm summer's evening, sitting around a campfire, surrounded by fellow worshipers. The sound of acoustic guitars and heartfelt harmonies fill the air, creating an atmosphere of immense spiritual connection. Gospel Gypsy music has the power to evoke deep emotions, touch souls, and instill a sense of hope and healing in all who listen.

As a listener, you are transported to a realm where burdens are lifted, and faith is strengthened. The Gospel Gypsies use their music to bring people together, to share stories of struggle, redemption, and love. It is an experience unlike any other, where the lines between performer and audience blur, and everyone becomes part of a harmonious journey.

The Freedom of the Open Road

For the Gospel Gypsies, the road represents more than just a means of transportation. It symbolizes freedom, liberation, and a constant opportunity for personal and spiritual growth. These travelers embrace the challenges and unpredictability that come with a nomadic lifestyle, viewing them as opportunities to deepen their faith and resilience.

Living life on the road invites a sense of simplicity, where material possessions pale in comparison to experiences and connections. Each day presents new landscapes, encounters with fellow wanderers, and opportunities to touch lives with their powerful message. The Gospel Gypsies walk a path less traveled, guided by an unwavering belief in the transformative power of their journey.

Stories and songs from a childhood spent in a vanished world of revivals and road shows

Anita Faye Garner grew up in the South—just about every corner of it. She and her musical family lived in Texarkana, Bossier City, Hot Springs, Jackson, Vicksburg, Hattiesburg, Pascagoula, Bogalusa, Biloxi, Gulfport, New Orleans,

and points between, picking up sticks every time her father, a Pentecostal preacher known as “Brother Ray,” took over a new congregation.

In between jump-starting churches, Brother Ray took his wife and kids out on the gospel revival circuit as the Jones Family Singers. Ray could sing and play, and “Sister Fern” (Mama) was a celebrated singer and songwriter, possessed of both talent and beauty. Rounding out the band were the young Garner (known as Nita Faye then) and her big brother Leslie Ray. At all-day singings and tent revivals across the South, the Joneses made a joyful noise for the faithful and loaded into the car for the next stage of their tour.

But growing up gospel wasn’t always joyous. The kids practically raised and fended for themselves, bonding over a shared dislike of their rootless life and strict religious upbringing. Sister Fern dreamed of crossing over from gospel to popular music and recording a hit record. An unlikely combination of preacher’s wife and glamorous performer, she had the talent and presence to make a splash, and her remarkable voice brought Saturday night rock and roll to Sunday morning music. Always singing, performing, and recording at the margins of commercial success, Sister Fern shared a backing band with Elvis Presley and wrote songs recorded by Johnny Cash and many other artists.

In her touching memoir *The Glory Road*, Anita Faye Garner re-creates her remarkable upbringing. The story begins with Ray’s attempts to settle down and the family’s inevitable return to the gospel circuit and concludes with Sister Fern’s brushes with stardom and the family’s journey west to California where they finally landed—with some unexpected detours along the way. *The Glory Road* carries readers back to the 1950s South and the intersections of faith and family at the very roots of American popular music.
