“It seems as though we may have a new variation on the James Bond/Jason Bourne prototype, but Leon Afflelou is a bit more complicated - and that makes for terrific reading” – Amazon review of Under an Iron Sun

In this novella, Leon is persuaded by the British SOE to undertake a trip to Casablanca where he must meet with the Pasha of Morocco and influence his loyalties within the region.

However, neither Afflelou nor the British SOE can foresee what confronts him when he gets to the Pasha’s retreat, high in the Atlas Mountains.

What is a simple, yet politically volatile mission, Leon finds that he is not the only one vying for the Pasha’s ear, and he must use his native charm as well as an unsubstantiated promise to swing the pendulum in his favour.
