This is a journey that will awaken your spirit of adventure and leave you with a profound appreciation for the natural wonders of New Zealand.

A Road Less Traveled

The Forgotten World Highway is aptly named, as it remains relatively unknown despite being one of New Zealand's most scenic routes. This hidden gem offers a sense of isolation and tranquility that is hard to find elsewhere. Unlike other popular tourist destinations, the Forgotten World Highway allows you to explore unspoiled landscapes and capture moments of untouched beauty.

Traveling along this road less traveled, you'll have the privilege of immersing yourself in the untouched beauty of the Tangarakau Gorge, with its towering cliffs and verdant greenery. Be sure to stop at the iconic Whangamomona Hotel, a charming historic pub that has become a symbol of the region's unique character and quirky charm.

Unveiling Forgotten History

As you journey through the Forgotten World Highway, you'll also be transported back in time. This route was once the only gateway between Taranaki and the rest of the North Island, and remnants of its fascinating history can still be spotted along the way. Explore old railway tunnels, cross historic bridges, and pass by abandoned settlements that tell tales of the region's past.

One of the most captivating stops is the Bridge to Somewhere, which was once part of a planned railway route that was never completed. Today, it stands as a symbol of ambition and resilience, offering a unique photography opportunity that will leave you awestruck.

The Ultimate Photography Journey

For photography enthusiasts, the Forgotten World Highway provides an array of stunning photo opportunities. From vast open expanses to intricate details, you'll be able to capture the beauty and essence of New Zealand like never before.

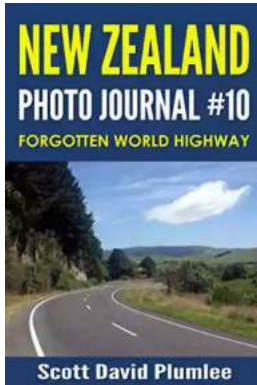

With each turn of the road, be prepared to stop and capture the captivating landscapes. Come join me for this 50-image photo journal as I cycle and hike across New Zealand. In this tenth volume I'll be cycling across the North Island from Turangi to Stratford along the infamous Forgotten World Highway. Along the way I will be climbing up a half dozen mountains, passing through the stunning Tangarakau Gorge, rolling my eyes at the ever-present rain, and pedaling past lots of sheep, cattle, and a few goats. I hope you enjoy these images and travel thoughts as much as I did photographing them and living the adventure.
