A warm and fuzzy love story about a passionate pet owner, a smitten newsman, and an unforgettable dog: “Endearing . . . Witty and emotional.” —RT Book Reviews

When her cuddly canine companion Boomer is diagnosed with a rare heart condition, Jennifer Westbrook decides to take a leave of absence from her busy PR job—and take Boomer on the greatest road trip of his life.

Charting a course from Chicago to California, Jennifer plans some pet-friendly pit stops for her four-legged friend, including a dog show, a fire hydrant museum, and a factory full of squeaky toys. But when she tries to sneak Boomer into a NASCAR press box—disguised as her seeing-eye dog—Jennifer’s cover is blown by a curious but very cute reporter named Nathan Koslow.

Boomer takes an instant shine to Nathan, unlike the other men in Jennifer’s life. When the charming journalist asks to join them on their journey, she can’t say no. But when she learns that someone has created a website called “Boomer’s Bucket List”—and it’s gone totally viral—the trip takes a wildly unexpected turn for

Jennifer, Nathan, and the dog who brought them together.

It almost seems as if Boomer’s last wish is that his two favorite humans fall madly, deeply, in love . . .

A Rave For Sue Pethick’s Pet Friendly

“Quirky and endearing . . . Especially when factoring in the hilarious antics of a certain four-legged character. The brewing romance tempers the humor with heart. The plot . . . delights. This is a light, heartwarming read perfect for a wintry afternoon at home or a sunny beach vacation.” —RT Book Reviews
