“Aloha....welcome to Kauai in Hawaii”

walking on the Kalalau Trail to Hanakapiai Beach
in the rain to reach the Na Pali coast,

to witness the majestic emerald green pinnacles

driving to Waimea Canyon State Park

to see the spectacular “Grand Canyon of the Pacific” and

walking the Lilau Trail full of hala indigenous trees

hiking the next day into Lumahai Beach

and walking the two miles around the crescent white beach

where Mitzi Gaynor sang in “South Pacific”

enjoying Hanalei Bay with my feet sinking into the white sands

while watching young boys surf with visions

of riding the waves of the North Shore

finding the secluded and hidden Sea Lodge Beach,

going for a swim and feeling free

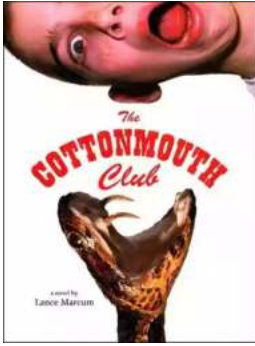

like a little boy again walking along the beach
