Coile's book "German Shepherds For Dummies" goes beyond the superficial aspects of the breed and delves into the history, characteristics, and unique quirks that make them so special. Here are some key insights from the book:

The Origins of German Shepherds

Originally bred in Germany, German Shepherds were primarily used as herding dogs. Their intelligence and quick learning abilities enabled them to perform a variety of tasks on farms. However, their true rise to popularity came during World War I, where they served as messenger, rescue, and guard dogs for the military.

Temperament and Personality Traits

German Shepherds possess a combination of desirable traits, making them suitable as both working dogs and loving family pets. They are renowned for their loyalty, protective nature, and eagerness to please their owners. However, extensive training and socialization are crucial to ensure they develop into well-rounded individuals.

Caring for German Shepherds

Coile offers practical advice on caring for German Shepherds at every stage of their lives. From selecting a reputable breeder to providing the right food, exercise, and mental stimulation, she covers all aspects of maintaining a healthy and happy German Shepherd.

Furthermore, the book addresses common health issues that German Shepherds may face, empowering readers to understand potential risks and seek

appropriate veterinary care when needed.

Training German Shepherds: Expert Tips and Techniques

German Shepherds thrive on mental and physical challenges. As a result, training is not only essential but also highly enjoyable for both dog and owner. Coile provides valuable training techniques, detailed instructions, and troubleshooting tips to help you navigate the training process successfully.

She emphasizes positive reinforcement and rewards-based training methods, highlighting the importance of building a strong bond and mutual trust with your German Shepherd.

The German Shepherd as a Family Dog: What to Expect

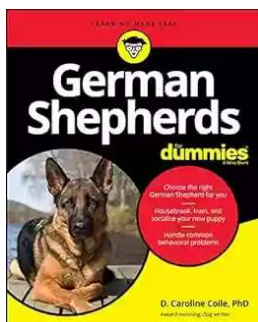

If you are considering adding a German Shepherd to your family, Coile's book provides comprehensive insights into their suitability as family pets. While German Shepherds can be excellent companions, they require dedicated training, socialization, and a structured environment to thrive.

This section of the book will help you understand the challenges and rewards of owning a German Shepherd, ensuring you can provide the ideal home environment for this remarkable breed.

Caroline Coile's "German Shepherds For Dummies" is a must-read for anyone interested in owning or learning more about this captivating breed. With her deep knowledge, engaging writing style, and expert advice, Coile provides readers with the necessary tools and insights to develop a strong bond with their German Shepherd.

Remember, a German Shepherd is not just a pet; they are genuine life companions. By understanding their temperament, needs, and abilities, you can

truly appreciate the incredible partnership that this breed offers. So, grab a copy of "German Shepherds For Dummies" today and embark on an unforgettable journey with your new furry friend!

Discover how to raise, train, and enjoy your German Shepherd with this fantastic resource.

Everybody thinks they know the German Shepherd. Many of us grew up with Rin Tin Tin, or we saw German Shepherds in nightly news reports breaking up riots, or we saw them in neighbors' backyards protecting children. But that only scratches the surface of one of the most fascinating and confusing breeds on earth. Whether it's selection, nutrition, routine health care, training, competition, or just having fun, there's more to it with a German Shepherd than with other breeds. And if you're thinking about adding one to your family, or you already have one, you need to know all you can about this breed. Which is where German Shepherds For Dummies comes in.

Is this noble and intelligent breed the right dog for you and your family? German Shepherds For Dummies provides the answer to this and all your questions about getting, caring for, and living with this loveable breed. Lifelong German Shepherd owner and longtime German Shepherd breeder, trainer, and exhibitor, Carline Coile, PhD ,gets you up and running with what you need to know to:

- * Find and communicate with reputable breeders
- * Choose the right German Shepherd for you
- * Housebreak and socialize your new puppy
- * Educate yourself and your dog
- * Handle behavioral problems
- * Participate in competitions

Dr. Coile provides insights into the German Shepherd temperament and loads of sensible, easy-to-follow advice, along with fun facts and Shepherd trivia, amusing and informative anecdotes, and tips on how to have a great time with your dog.

Discover how to:

- Understand how to communicate with your German Shepherd
- Train your German Shepherd
- Find a good trainer and attend classes
- Deal with hereditary health problems
- Feed and exercise your German Shepherd
- Recognize, prevent and treat common health problems
- Have loyal friend for life

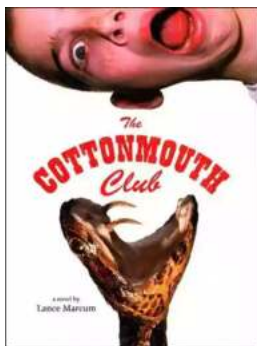

The indispensable guide for you and your German Shepherd, *German Shepherds For Dummies* is the only book you'll need to help you have the best possible experience with this handsome and sensitive breed of dog.

P.S. If you think this book seems familiar, you're probably right. The Dummies team updated the cover and design to give the book a fresh feel, but the content is the same as the previous release of *German Shepherds* (9780764552809). The book you see here shouldn't be considered a new or updated product. But if you're in the mood to learn something new, check out some of our other books. We're always writing about new topics!
