

The Untold Stories of New York City Mobsters, Gangs, Crooks, and Other Creeps

It's no secret that New York City has a notorious history when it comes to organized crime. With iconic figures such as Al Capone, Lucky Luciano, and John Gotti, the city has seen its fair share of mobsters, gangs, crooks, and other creeps that have left an indelible mark on its landscape.

Join us as we dive deep into the dark and gritty world of New York City's underground, uncovering the untold stories and secrets of the mobsters, gangs, crooks, and other creeps that have captivated our imaginations for decades.

The Rise of the New York City Mobsters

With waves of immigrants seeking a better life in America, New York City quickly became a melting pot of different cultures and aspirations. However, alongside the dreams of honest work and prosperity, a darker element began to emerge.

Mobsters, Gangs, Crooks, and Other Creeps - Volume 3 – New York City (Mobsters, Gangs, Crooks and Other Creeps) by Joe Bruno (Kindle Edition)

From the small-time street thugs to the charismatic godfathers, these mobsters built vast criminal enterprises fueled by illegal activities such as bootlegging, gambling, prostitution, and drug trafficking. The likes of Meyer Lansky, Bugsy Siegel, and Frank Costello played pivotal roles in the shaping of New York City's criminal underworld.

The Notorious Gangs of New York

While the mobsters held the power behind the scenes, the street gangs ruled the neighborhoods with an iron fist. Names like The Bowery Boys, The Dead Rabbits, and The Five Points Gang struck fear into the hearts of both citizens and rival gangs alike.

These gangs thrived in areas such as Hell's Kitchen, The Lower East Side, and Coney Island, relying on violence, extortion, and robbery to maintain their dominance. Explore the lives of gang leaders such as Owney Madden, Dutch Schultz, and Johnny Torrio, and their rise to power in the chaotic streets of New York City.

The Dark Secrets of Crooks and Creeps

Not all criminals in New York City operated within the confines of organized crime families or street gangs. The city's underbelly was also teeming with a wide array of crooks and creeps who specialized in their own unique brands of illicit activities.

From serial killers like The Son of Sam and The Zodiac Killer, who terrorized the city with their heinous acts, to notorious con artists and jewel thieves like George

Leslie and Adam Worth, these individuals plagued the city with their criminal prowess.

The Untold Stories You've Never Heard

While the stories of famous mobsters such as John Gotti and Al Capone have been widely covered, countless other individuals led equally fascinating lives in New York City's underworld.

Discover the chilling tales of lesser-known mobsters like Vincent "The Chin" Gigante, Carmine "Lilo" Galante, and Joseph Bonanno, whose actions and influence shaped the landscape of organized crime in the Big Apple.

Explore the urban legends that surround the city's unsolved crimes, such as the disappearance of Jimmy Hoffa and the infamous Lufthansa heist, which inspired the hit movie "Goodfellas."

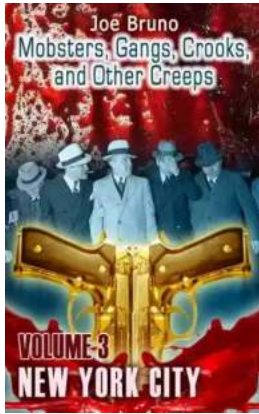

Unmasking the City's Dark Side

Through captivating narratives, detailed research, and exclusive interviews with experts, this in-depth exploration uncovers the truth behind the mythos of New York City's mobsters, gangs, crooks, and other creeps.

Prepare to be enthralled as we delve into the lives of these individuals who operated in the shadows, shaping the city's history and leaving an undeniable legacy that continues to capture our fascination to this day.

Are you ready to step into the underworld? Join us as we reveal the untold stories of New York City's most infamous mobsters, gangs, crooks, and other creeps.

Joe Bruno's "Mobsters, Gangs, Crooks, and Other Creeps" finished in second place (runner up) in the 2013 eFestival of Words Best of the Independent Ebook Awards in the category "Nonfiction."

As were Volumes 1 & 2, "Mobsters, Gangs, Crooks, and Other Creeps - Volume 3- New York City" is filled with delightful vignettes with some of the worst creatures God has ever created.

The most decadent article is the piece on The Old Brewery, located in the Five Points section of Lower Manhattan, where murder and debauchery, including incest, were an everyday occurrence. Close behind is Satan's Circus, a section of New York City in Midtown Manhattan which displayed a brothel every few feet, and a gambling house on every street corner.

Disasters are covered here too, in the essays on the Brooklyn Theater Fire of 1876 and the General Slocum Paddleboat Fire of 1904. And if you are a fan of the Mafia, you won't be disappointed in the bios on Carlo Gambino, Vito Genovese, Paul Castellano, and Carmine Galante, the last two of whom died in a hail of gunfire in public places; their gruesome death photos splattered on the front pages of the New York City daily newspapers.

Female reprobates are featured too. Like Sadie the Goat, who made a fine living rolling drunks on the Lower East Side docks, before she

made the big-time as a riverboat pirate, plundering and pillaging along the Hudson River all the way to upstate New York. And let's not forget Evelyn Mittelman, called "The Kiss of Death," because several of her boyfriends were murdered by her next boyfriend in line.

This book is not for the faint of heart. But if you like reading about murderers, crooks, disasters and degenerates, you've come to the right place.

So flip on your Kindle, press the right buttons, and enjoy.

WHAT PEOPLE ARE SAYING ABOUT JOE BRUNO'S "MOBSTERS, GANGS, CROOKS, AND OTHER CREEPS."

FIVE-STAR BOOK - LEARNING THE HISTORY OF AMERICA!

- Nancy Turney

I have read the other books in this series, and I have learned that the Mafia really does exist, up to current times. I just enjoy reading about the people and how bad they were back before 1900. They were the BULLIES of the world!! Great read!!

THIS BOOK WILL KEEP YOU INTERESTED!

- Patricia Epps

This book is very informative and just plain great. I love reading about mobsters and old New York. Joe Bruno is an awesome author. I highly recommend this book!

VERY ENTERTAINING!

- Joseph Herman

Volume 3 is just as good as the first two
