Meet a Nepalese family and go trekking with them. See the Himalayan foothills ablaze with blooms. Worry about avalanches below the Annapurna Sanctuary. Marvel at the lofty peaks, perpetually frozen like diamonds in the sky. Marvel, too, at steeply terraced farms and the sturdy people who work them. Your purchase will help one of the porters whom you meet in this book. When 100 books have sold, and at each 100-book milestone thereafter, the author will donate one-half of her royalties to this man, who lost his home and his livelihood in the 2015 earthquakes.
