Do you like "Kimono"?

I love Kimono.

Summer in Japan is very hot and humid.

So I am mostly wearing Kimono (Yukata) during the summer.

Kimono is breathable.

So, for Japanese people, Kimono is suitable.

However, modern Japanese people have few opportunities to wear Kimono.

90% of Japanese people wear only clothes.

People who are always wearing Kimono (like me) are rare.

I would like to disseminate the charm of Kimono more abroad.

But before that, we must also spread it to the Japanese.

So I am always wearing Kimono, no matter where I go.

Actually, the town I live in is Kimono Town.

The city of Ashikaga is a historically famous town in "Meisen" (Silk Cloth).

In this book, I will introduce my favorite Kimono, the charm of "Ashikaga Meisen" and the tourist sites of Ashikaga City.
