

Wild Grace: What Happens When Grace Happens

If you've ever experienced a moment in your life where everything seemed to fall into place effortlessly, where beauty emerged from chaos, and where you felt a sense of deep peace and understanding, then you know what it feels like when grace happens. Grace is a powerful force that can truly transform our lives, and when it happens, it brings with it a wild and untamed energy that is both awe-inspiring and humbling.

But what exactly is grace? Grace can be described as a divine favor or blessings bestowed upon us, often in unexpected and undeserved ways. It is that feeling of being uplifted and supported by something greater than ourselves, a higher power that guides us through life's trials and tribulations. It is a force that can bring healing, forgiveness, and renewal to our hearts and souls, allowing us to transcend our limitations and embrace a life of love, joy, and abundance.

One of the most fascinating aspects of grace is that it can manifest itself in a multitude of ways. It may come in the form of a chance encounter with a stranger who imparts wisdom and guidance when we need it most. It may be experienced through the beauty of nature, where we witness the miracles of creation and feel connected to something greater than ourselves. It may reveal itself through a profound moment of insight or divine revelation that transforms our perception of the world around us.

Bestselling author Max Lucado explains that if teens let God’s grace change them, shape them, and strengthen them, their lives will never be the same.

Today’s teens are being shaped by the pressures and disappointments of the world. But Max Lucado encourages them to take a close look at what can shape their hearts and their futures from the inside out—God’s grace.

As Max explains, "God’s grace has a drenching about it. A wildness about it. A whitewater, riptide, turn-you-upside-downness about it. Grace comes after you." Wild Grace gives teens an understanding of how grace can change their lives in powerful ways, even when those lives are messed up, off track, or in trouble. Each chapter describes another miracle that happens when we allow God’s grace to work on us and through us:

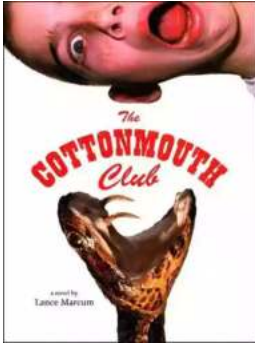

“Grace is God’s decision to change everything. Good-bye, earthly labels. Stupid. Unpopular. Ugly. Failure. No longer. You aren’t who they say you are. You are who He says you are. Spiritually alive. Connected to God. Amazing.”

Teens will be convinced that God knew what He was doing when He made them and His grace is always there, ready to work wonders that are bigger than anything this world has to offer.
